I WHS remarkable American remedy is carrying the world by storm. Over five millions of boxes are sold annually. Composed entirely of flowers, roots, balsams and extrects, their effect on the human system is pleusing, satisfactory and successful. Acting directly on the blood, glands, solids and fluids of the body, their use is attended with the happiest effect. In sudden attacks of disease one or two doses always cures. In old tacks of disease one or two doses always cures. In old standing cases of sickness, small doses repeated frequently so cleances the system, that good health is the result. No change in employment or diet is necessary. They never cause sore mouths, swelled joints, aching limbs, etc., no do many other kinds. They are warranted to give satisfaction, or the price will be refunded. They are considered cheaper, safer, protter, and in all respects superior to any purgative pill in the world. The discorery of coating a pill with sugar emanated with Dr. Herrick. All others are counterfeits, and if used will do harm, and disappoint the bick. Herrick's Pills are clegantly put up—50 in a box—with a large sheet of directions, and sell for 25 cents per box; 5 boxes for \$1.
